## CAREER OBJECTIVE & EXECUTIVE SUMMARY

Dedicated and results-driven **IT Specialist & System Administrator** with **7+ years of progressive enterprise experience** in architecting, managing, and securing enterprise IT infrastructure, server environments, and corporate networking systems. Proven leadership track record advancing from Executive to **Assistant Manager — IT** at **Stencil Bangladesh Ltd. (Asiatic 360)**. Seeking to leverage comprehensive expertise in Windows & Linux server administration, MikroTik/Cisco enterprise networking, Microsoft 365 & Google Workspace cloud governance, Synology NAS storage architecture, and biometric ERP integration to drive high-availability operations, data security, and digital transformation for a forward-thinking organization.

## WORK EXPERIENCE

**Stencil Bangladesh Ltd. (Asiatic 360)** Dhaka, Bangladesh • Mar 2021 – Jul 2026 (5+ Years)

- Assistant Manager — IT (Jan 2026 – Jul 2026) • Senior Executive — IT (Jan 2023 – Dec 2025) • Executive — IT (Mar 2021 – Dec 2022)

### 1. SERVER, VIRTUALIZATION & STORAGE ADMINISTRATION

- Architected, installed, and managed Windows Server (2016/2019/2022) and Linux (RHEL/CentOS/Ubuntu) servers deployed on **VMware ESXi and Hyper-V** virtualization platforms, achieving **99.9% uptime** across corporate environments.
- Configured and administered **Active Directory Domain Services (AD DS)**, Group Policy Objects (GPOs), DNS, DHCP, and role-based access control (RBAC) to enforce centralized endpoint security and user governance.
- Engineered high-capacity **Synology NAS storage clusters** with automated RAID configurations, snapshot replication, and off-site backup schedules to ensure strict Disaster Recovery (DR) and business continuity compliance.

### 2. ENTERPRISE NETWORKING, ROUTING & SECURITY

- Designed, configured, and secured multi-VLAN corporate LAN/WAN architectures utilizing **MikroTik RouterOS and Cisco managed switches** with dedicated IP subnets for corporate, guest, and management tiers.
- Implemented dual-ISP redundant leased lines with policy-based routing (PBR), bandwidth management, quality of service (QoS), and automated failover to guarantee uninterrupted internet connectivity.
- Configured edge firewall rules, NAT, IPsec site-to-site VPNs, and OpenVPN remote access solutions for secure telecommuting.

### 3. CLOUD ADMINISTRATION & SAAS GOVERNANCE

- Administered enterprise **Microsoft 365 and Google Workspace** tenants, managing user mailboxes, custom distribution groups, shared drives, and security policies (MFA, Conditional Access).
- Managed corporate domain portfolios, public DNS zone records, SSL/TLS certificates, and email security protocols (SPF, DKIM, DMARC) to maintain 100% email deliverability and prevent spoofing.

## WORK EXPERIENCE (CONTINUED)

### Stencil Bangladesh Ltd. (Asiatic 360) — Continued

#### 4. SECURITY SYSTEMS, SURVEILLANCE & BIOMETRICS INTEGRATION

- Integrated **ZKTeco biometric attendance & access control devices** directly with corporate ERP/HRMS databases, automating daily punch logs and reducing payroll processing time by 40%.
- Installed, configured, and maintained multi-channel high-definition IP CCTV camera systems (NVR/DVR) with optimized storage retention policies and remote mobile monitoring.
- Deployed enterprise endpoint antivirus solutions with centralized management consoles to push real-time malware protection and definitions across 150+ user workstations.

#### 5. IT INFRASTRUCTURE SHIFTING, SERVER ROOM STAGING & OPERATIONS

- Successfully spearheaded complete corporate office IT relocation: planned structured CAT6/Fiber cabling matrices, patch panels, 42U server rack staging, online UPS power distribution, and ISP line migration with **zero data loss**.
- Managed corporate IT asset inventory tagging, hardware lifecycle tracking, and software license compliance audits.
- Supervised vendor negotiations, procurement quotation evaluations, and Annual Maintenance Contracts (AMCs), reducing annual departmental operational costs by ~15%.
- Provided tier-3 escalation technical support for cross-platform workstations (Windows, Linux, macOS), network printers, scanners, conference audio-visual systems, and IP-PBX communication networks.

### Ahsania E Solutions (Dhaka Ahsania Mission)

Dhaka, Bangladesh • May 2019 – Mar 2021 (2 Years)

#### IT Executive

#### KEY RESPONSIBILITIES & OPERATIONS

- Administered on-premises Windows Server and Linux environments, managing Active Directory user accounts, shared folder permissions, and routine backup schedules.
- Maintained corporate LAN/WAN connectivity, MikroTik edge router configurations, Wi-Fi access points, and office-wide firewall policies.
- Monitored and maintained facility CCTV surveillance, biometric time-attendance readers, PABX intercom systems, and server room equipment.
- Delivered prompt on-site and remote IT helpdesk support, troubleshooting hardware, operating systems, and office application issues for internal staff; authored IT standard operating procedures (SOPs).

## TECHNICAL SKILLS & AREA OF EXPERTISE

|                                    |                                                                                                                                                                                 |
|------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Server &amp; Virtualization</b> | Windows Server (2016-2022), Linux (RHEL, CentOS, Ubuntu), VMware ESXi, Microsoft Hyper-V, Synology NAS (DSM, RAID arrays), Active Directory (AD DS, GPO, DNS, DHCP)             |
| <b>Networking &amp; Security</b>   | MikroTik RouterOS (MTCNA), Cisco Switching & Routing (CCNA), VLAN Segmentation, Edge Firewalls, IPsec/OpenVPN, Multi-ISP BGP/OSPF Redundancy & Bandwidth Management             |
| <b>Cloud &amp; Collaboration</b>   | Microsoft 365 Administration, Google Workspace Admin, Domain Management, Web Hosting, SSL/TLS Certificates, Email Security & Deliverability (SPF, DKIM, DMARC)                  |
| <b>Security &amp; Hardware</b>     | ZKTeco Biometric Time & Access Control, IP CCTV Systems (DVR/NVR), Enterprise Antivirus Server, PABX / IP-PBX, Online UPS Power Balancing, Network Cabling & Patch Panels       |
| <b>IT Management &amp; Ops</b>     | ERP/HRMS Technical Support, IT Asset Tagging & Inventory Management, Vendor Negotiation, AMC Governance, Budget Planning, Team Supervision, Standard Operating Procedures (SOP) |

## ACADEMIC QUALIFICATIONS

| EXAM / DEGREE          | MAJOR / GROUP           | INSTITUTE / UNIVERSITY                 | PASSING YEAR    | RESULT    |
|------------------------|-------------------------|----------------------------------------|-----------------|-----------|
| B.Sc. in Engineering   | Computer Science & Eng. | Bangladesh University                  | Nov 2026 (Exp.) | CGPA 3.52 |
| Diploma in Engineering | Computer Technology     | Patuakhali Polytechnic Inst. (BTEB)    | 2018            | CGPA 2.95 |
| SSC                    | Science                 | Bakerganj Model High School (Barishal) | 2014            | GPA 5.00  |

## PROFESSIONAL TRAINING & CERTIFICATIONS

| COURSE / CERTIFICATION TITLE                 | INSTITUTE / ACADEMY                   | LOCATION / YEAR      |
|----------------------------------------------|---------------------------------------|----------------------|
| NSE 1 — Network Security Associate           | Fortinet Training Institute           | Online Certification |
| NDG Linux Unhatched                          | Cisco Networking Academy              | Online Certification |
| Windows Server Administration                | Creative IT Institute                 | Dhanmondi, Dhaka     |
| Red Hat Linux Administration (RHCSA & RHCE)  | CSL Training                          | Lalmatia, Dhaka      |
| MTCNA — MikroTik Certified Network Associate | CSL Training                          | Lalmatia, Dhaka      |
| CCNA — Routing & Switching                   | CSL Training                          | Lalmatia, Dhaka      |
| Basic / Computer Networking                  | Global Information & Technology (GIT) | Mirpur, Dhaka        |

## PERSONAL PARTICULARS

|                      |                                                                               |               |                |
|----------------------|-------------------------------------------------------------------------------|---------------|----------------|
| Father's Name        | Md. Anwar Hossain                                                             | Mother's Name | Mahinoor Begum |
| Date of Birth        | 07 January 1999                                                               | Gender / Sex  | Male           |
| Nationality          | Bangladeshi (by Birth)                                                        | Religion      | Islam          |
